

Mornington Stool

Features:

Mornington stool is part of the Mornington collection. It takes its name from a seaside town near Melbourne. Constructed from a rustproof aluminium frame and matt durable thermo baked lacquer finish, the stool is suitable for indoor and outdoor areas such as homes, offices, breakout spaces, bars and patios. The chair is available as a counter or a bar stool with optional removable and retrofittable seat cushion. The cushion is made of woven polypropylene that is recyclable, UV resistant, weather resistant, does not stain, does not mould and does not fade away.

Mornington stool is 100% made in Melbourne, Australia.
